The parties stipulated to a continuance of the Case Management Conference previously set on August 19, 2011, for approximately sixty days. The Court promptly agreed and set the conference for October 14, 2011. Unfortunately, counsel for plaintiff will be on a prepaid vacation during the week of October 10-14, 2011, not returning until October 19, 2011.

Due to this conflict, counsel respectfully request that this Court continued the Case Management Conference for one additional week, until October 21, 2011. The deadline for initial Disclosures and filing Joint Case Management Statement may remain as set on October 7, 2011.
